MEMORANDUM FOR: Acting Deputy Director (Plans)

SUBJECT: CIA employment of [redacted]
as a consultant

25X1

1. We have recently completed a thorough study of the use of retired officers as consultants. We believe we are now able to give complete advice on the various ramifications of this confused and confusing subject. Each case must be considered upon its own facts as it is necessary to make sure, for the individual's protection, that all of the facts come within the various rulings from the Comptroller General on this subject.

2. As I have done several times recently in the past, I should be very pleased to discuss this matter with [redacted] and believe we should do so as soon as possible as I am leaving on 3 August for a short vacation. If you can arrange for [redacted] to be here early next week, please notify me of the time convenient to him.
